

Science Competition for British Science Week

Calling all young scientists in Y7-10!

Get creative and make a labelled 3D model of something related to science!

Choose from topics like:

- A cell (plant or animal)
- An organ or organ system
- A plant structure
- The solar system
- Any other scientific concept!

Unleash your creativity and show off your scientific knowledge!
Good luck!

Submission
Deadline: Friday,
March 17th

Examples can be
seen in Sc2, and can
also be Googled

Submit your entry to
the office,
addressed to Mrs.
Armitage.

Participate now and earn your golden ticket! Extra prizes for the top 3 posters!
