## Enrichment Day

## Friday 18th July 2025

## IT'S TIME FOR YOUR CHOICE...

## Enrichment Day Information for Parents and Carers

We are excited to announce that our Enrichment Day will take place on Friday 18th July. This event is designed to celebrate the achievements of our pupils throughout the year, recognising their hard work, commitment and contributions to the school community. Enrichment Day provides an opportunity for pupils to participate in a range of exciting and enriching activities to mark the end of the academic year.

## Sign-Up Process

Pupils will be able to sign up for their chosen activities through School Gateway in a staggered format based on their conduct points:

- Top 30% of each year group (highest conduct points): Sign up from Monday 2nd June- Sign up will go live at 6:00pm
- Top 31-60% of each year group: Sign up from Wednesday 4th June- Sign up will go live at 6:00pm
- Remaining pupils: Sign up from Monday 9th June- Sign up will go live at 6:00pm

Parents and Carers will receive an email on Friday 23rd May outlining which phase of sign up your child will be in.

Students with Negative Conduct Points will not be able to sign up for Off Site Activities.

The deadline for all sign-ups is Friday 13th June. Pupils who have not signed up by this date will be allocated an in-school activity, which they will be expected to attend.

Important: Parents and carers must only sign up for one activity. If multiple activities are selected, the pupil will be removed from all selections as this limits availability for others.

## Payments and Refunds

All payments must be made at the time of sign-up. Please be aware of the following:

- If you secure a place on Thorpe Park, Chessington or Legoland, Merlin Passes cannot be used. The cost includes a reduced group ticket price and coach travel.
- If an activity does not have enough interest, it may not run. In this case, you will be reimbursed and offered an alternative option where spaces are available.
- Once an activity is paid for and consent is given, payments are non-refundable, and no changes can be made to the selected activity. Please ensure that the chosen activity is one your child genuinely wants to attend.

## Important Reminders

- Non-Selection: If an activity is not selected online, the pupil will be allocated to an in-school activity that they are required to attend.
- School Day Expectations: Activities Day is a calendared school day, and attendance is mandatory.
- Activity Viability: If there is not enough interest in a particular activity, it will not run. In such cases, we will contact you to discuss alternative options.
